

THE EDGE

BE INNOVATIVE. BE INSPIRED.

13.11.2019

Centerprise International Innovation Centre

Hampshire International Business Park, Lime Tree Way, Basingstoke, Hampshire, RG24 8GQ

As we enter a new decade, developments in technology and the transformational potential it has on how organisations and individuals interact with the world will accelerate at pace beyond anything we've seen before.

On Wednesday 13th November 2019, Centerprise International will be hosting our first event from the brand new innovation centre at our Basingstoke HQ. The Edge is an event to inspire your ideas for innovation. From the latest standards in connectivity through to next generation computing, we'll be providing a platform for pioneering experts to help contextualise digital and business transformation in 2020 and beyond.
