RENATUS

INTRODUCING THE NEW CI RENATUS RANGE

NEW LOOK. SUPERIOR PERFORMANCE.

THE NEW CI RENATUS RANGE

Introducing the brand new Ci Renatus Desktop range. Bringing all the reliability and durability of its predecessors, the new range puts superior performance, powered by Intel® processors and Intel® Optane™ memory, in a stylish package.

With a variety of form factors to choose from, all custom-built to your specification at our dedicated facility in Wales, the Renatus range brings you the ultimate PCs to suit any requirement or budget.

We've expanded our customisable range to bring you all the flexibility, quality and value for money you need to offer the ultimate technology experience.

Experienced

Over 35 years' experience delivering PC technology and associated solutions.

Focused

Specifically focused on education and the public sector.

Expanding

New round of investment in brand new Midlands office based in Telford.

Best value

A direct Microsoft OEM agreement giving access to the best pricing in the industry - including Shape the Future.

Customised

Renatus PCs custom built in the UK - fully configured to individual requirements.

Proven quality

Bringing strong, robust and durable devices good enough for the military at special prices.

Deployment services

Multipacking, imaging and asset tagging delivered by our skilled configuration team in Wales.

INNOVATIVE SERVICE PROMISE

☑ **Hot swap**

If a device fails, we will ship a complete unit as a replacement the next business day. No fuss, no second visits and no waiting for spare parts.

☑ **LIfecycle management by design**

Flexibility of 3-5 years support - with ADISA accredited end-of-life recycling.

☑ **Green guardians**

By making just a single journey to drop off and collect at the same time we're helping to reduce unnecessary carbon emissions.
