INTERNATIONAL

THANK YOU FOR YOUR INTEREST IN THE DEFENCE TECHNOLOGY SHOW 2019

For over 30 years Centerprise International has been acknowledged as one of the largest and most respected IT providers in the UK. Centerprise is renowned for delivering large scale IT projects within the Defence sector. Due to the continued success of the Defence show, we're excited to be hosted by the Defence Academy this year.

The show helps us nurture existing relationships whilst providing a platform to create new business opportunities within the Defence Sector. Our delegates come from across the tri-services and civilservice of the Ministry of defence.

As a value partner, we look forward to hosting this prestigious event with your support showcasing the latest technology innovations.
