

LENOVO & YOYOTECH

THE LEADING PARTNERSHIP IN
ESPORTS ARENA SOLUTIONS
FOR EDUCATION

GEFORCE RTX

Intel® Core™ Processor Family

Lenovo recommends
Windows 11 Pro

Lenovo and YOYOTECH use state-of-the-art hardware and software giving you the complete solution to operate a modern esports venue.

Considering building an esports arena or opening an esports venue? YOYOTECH and Lenovo deliver the complete esports turnkey solution including design, installation, high-end gaming PCs, peripherals, management software and support. Since the launch of the new BTEC in 2020, esports has been welcomed as an exciting, contemporary addition to the curriculum in schools, colleges and sixth-forms here in the UK, as the education sector looks to future-proof emerging industry sectors.

- The world leader in esports management software
- A complete 24/7 managed service to keep your arena up to date and secure
- Specific characteristics and features for the education environment

Intel® Core™ Processor Family

LEGION

13th Gen Intel® Core™ processors. Beyond performance

Intel's latest hybrid architecture, paired with industry-leading features, delivers the ultimate gaming experience. Stream, create and compete at the highest levels – 13th Gen Intel® Core™ processors push your gameplay beyond performance, giving you the power to do it all.

Beyond fast

NVIDIA® GeForce RTX™ 40 Series GPUs are beyond fast for gamers and creators. They're powered by the ultra-efficient NVIDIA Ada Lovelace architecture, which delivers a quantum leap in performance and AI-powered graphics. Experience lifelike virtual worlds with ray tracing and ultra-high FPS gaming with the lowest latency. Discover revolutionary new ways to create unprecedented workflow acceleration.

Slay in style

A stylish battle station makes smoking your opponents so much more satisfying. With the signature Legion design, featuring a Storm Grey chassis, a 3D mesh front bezel, and an eye-catching rail-side transparent glass panel to show off your shiny internals – this is an eye-catching piece of gear.
